

#LOVE  MORTLAKE

Mortlake Brewery Community Group

We need funds!

We are only weeks away from the developers submitting a formal planning application to Council to develop the Mortlake brewery site. We want to make sure that the plans respond to the needs of **ALL** Mortlake's residents, now and in the future. The redevelopment is a huge opportunity to get things right, but what we have seen so far is concerning.

That is why we are launching our campaign:

#LoveMortlake

We know we have a fight on our hands to be heard and we want many more people to get involved. But in order to step up the campaign, we need funds.

We need to ramp up our online communications and produce banners, leaflets, T-shirts and badges. We particularly want to reach people who may not know of, or have not yet commented on the redevelopment plans. We may also need advice from lawyers, planners and environmental experts.
